Behavior Chart

Students will be using a rainbow behavior chart in the classroom. Each day students start on "Ready to Learn". Throughout the day, depending on behavior, students will be asked to move their pins up (positive behaviors) or down. Students that end on "Teacher's Choice" at the end of the week, will be deducted five minutes of recess, five minutes silent snack, or will be asked to write a reflection on their behavior. Students who land on "Parent's Choice" by the end of the week, will have an email sent home to their parents. Students who land on "Star Power" at the end of the week will get to choose a reward from the "Treats" bag. Students who land on "Star Power" often and who demonstrate star qualities on a regular basis will receive extra treats such as HW passes and lunch with the teacher.

For students with repetitive behaviors that need to be worked on, a daily behavior sheet may be used and sent home on Fridays to be signed. If a child lands on green every day of the week, they will receive a reward from myself. Parents are also encouraged to use a reward system at home as well.
