

2T's HW Policy

Students are expected to hand in HW assignments on the dates they are due. For each day that a HW assignment is late, students will receive 5 points off.

HW assignments are collected at the beginning of the period. Any assignment that is not handed in at this time, will be considered 1 day late (This will be implemented once students have an understanding of the morning routine. There will be a transitional period when students are getting acclimated.).

If any HW assignment is not completed by the end of the week, students will be asked to complete the assignment during recess or after school on Friday.
