 - Reflection, exploration, and evaluation of material outside the class.
 - Preparation for in class work- flipped classroom
 - Application of skills and content introduced in the class.
 - Actively participating in the classroom discussions.
- **15 % Quizzes**

Assessment and Quiz Policy

- Assessments will be given on a regular basis- Quizzes and Tests
- If a child misses a test or quiz, he or she must make up the test or quiz within 2 days after the day of the absence
- If a student is absent on a test day, he or she will stay after school to complete the test upon his or her return to school and it is the responsibility of the students to come and see me to make up their tests or quizzes. Failure to make up the quiz will receive a zero in the quiz and test.
- Quizzes will made up at the teacher's discretion.
