

Art Syllabus

Mrs. Hatch

Course Description and Objectives

Elementary art provides students with experiences to learn how to communicate through art. Students will develop skills and a sense of craftsmanship using a variety of mediums and techniques throughout the year. Students will learn and explore the different elements of art and use their creativity to create their own “masterpieces.”

Materials

Each grade has been assigned materials to bring in (on student supply list) that will be shared among all students. Other materials will be provided by the school.

Class Rules

In art class, we follow the following rules:

Act responsibly

Respect yourself, others, and materials

Try your best

Imagine and be creative

Stay seated – wait patiently for help

Talk quietly and keep working

Grading Policy

Classwork: 80% (artwork graded by effort, completion, and craftsmanship)

Participation: 20% (students are expected to participate in all activities)
